25X1

1. The Wood Products Factory (Zaklady Konstrukcji Drewnianych) in Elblag (Elbing), which is located directly north of the Municipal Electricity Works between the railroad line and the canal, formerly manufactured furniture.

2. At an unknown date, production was changed over to work for the requirements of the Ministry of National Defense (MON).

3. Production at present consists of the following:

   Pontoons for sappers.
   Butts for small arms.
   Munition cases.
   Bakelite plates for purposes not known [redacted] 25X1

4. The plant has four production shops in operation, each approximately 20 x 80 meters. The grounds are being extended northward in preparation for the future development of the factory.
